DECLARATION OF JESSICA ROJAS

I, Jessica Rojas , declare as follows:

1) I am employed as at Darby & Darby, P.C. I make this declaration pursuant to 37 C.F.R. 1.53(c) to establish the filing of a complete set of informal drawings (4 sheets, Figs. 1-6) with the other papers of the above-identified application on July 18, 2003.

2) True copies of the Notice of Incomplete Application and To File Missing Parts of Application - No Filing Date is attached as Exhibit A. The Notice of Incomplete Application states that the applicants failed to file a complete set of drawings with the other papers of the above-identified application.

3) In accordance with our office procedure, the secretary of the attorney who prepared the papers being transmitted would have brought the above-identified papers to me. I would have reviewed the papers for completeness  
{W:\04394\000M995-000\00086229.DOC [REDACTED]}

and, if satisfied, would have imprinted, signed, and dated the Certificate of Express Mailing and would have placed it in a properly addressed postage-paid envelope for mailing to the USPTO together with a return postcard bearing a complete listing of all application papers to be forwarded to the PTO including in the listing, specifically, "Figures 1-6 (4 sheets)". Incomplete or unsigned papers would not be placed in the envelope, but would be returned to the attorney. At the end of the day, I would have delivered the USPTO envelope to the U.S. Post Office.

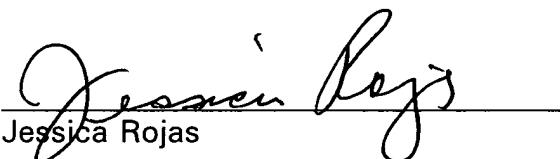

4) Attached as Exhibit B is a true copy of the self-addressed postcard that I initialed and that accompanied the application papers. These items would have accompanied the other papers of the application and I would have considered the application papers incomplete in their absence. Attached as Exhibit C is a copy of the return postcard which has a PTO mailroom stamp dated July 18, 2003 and assigns serial No. 10/623,104 to the application.

5) Attached as Exhibit D is a true copy of a mail log for July 18, 2003 that lists that the USPTO envelope that is identified with the Express Mail No. EV340066604US included a specification and four sheets of drawing figures. This Express Mail No. is the same number that is listed on the self-addressed postcard.

6) Based upon the postcard I initialed, it may be concluded that the original complete set of drawings (4 sheets, Figs. 1-6) was filed on July 18, 2003. Furthermore, the stamped return postcard proves that the items were actually received in the PTO at the time of filing of the application papers.

7) All statements made herein of my own knowledge are true and all statements made on information and belief are believed to be true; and further these statements were made with the knowledge that willful and false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

Dated: November 12, 2003
